From I-80, take the Richard's Ave. exit in Davis.
Exit north into downtown Davis.
Go under the tunnel and turn right onto 2nd, then left onto G Street.
The USDA building is on the right-hand corner of 5th and G, just past a theater.

To park in the free garage, turn right on 4th and enter it by turning left.

When you sign in at the front desk, get a parking permit and place it on your car dashboard.
This allows you to park in the garage all day for free. Otherwise, you may be ticketed if you exceed the three-hour limit. Room 229 is on the second floor.
